15TH CONGRESS
First Regular Session

HOUSE BILL NO. 3012

Introduced by **REP. SALVADOR H. ESCUDERO III**

EXPLANATORY NOTE

This bill proposes a comprehensive legal framework for a foster care system in our country. It is principally aimed to address the social, physical, economic and moral needs of children who have been abandoned, neglected, surrendered and/or abused.

It is anchored on the constitutionally mandated State policy that the State shall "defend the right of children to assistance, including proper care and nutrition, and special protection, from all forms of neglect, abuse, cruelty, exploitation, and other conditions prejudicial to their development¹"

Concomitantly, this proposed foster care system also finds basis in The Child and Youth Welfare Code and International Conventions duly recognized and entered into by our country.

This proposed legislation also deems appropriate the inclusion of provisions for incentives in order to advance and promote foster care. These benefits range from subsidies to healthcare memberships to tax exemptions.

On the basis of the foregoing, passage of this bill with dispatch is sought.
